FILE NO. 443-79 RESOLUTION NO. 229-80

CALLING A SPECIAL REVENUE BOND ELECTION IN THE CITY AND COUNTY OF SAN FRANCISCO FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF SAID CITY AND COUNTY THE MEASURE OF ISSUING REVENUE BONDS IN THE PRINCIPAL AMOUNT OF ONE HUNDRED MILLION DOLLARS ($100,000,000) TO PROVIDE FUNDS FOR MORTGAGE FINANCING OF THE PURCHASE, CONSTRUCTION OR IMPROVEMENT OF HOMES IN THE CITY AND COUNTY OF SAN FRANCISCO; FIXING THE DATE OF SAID ELECTION; THE MANNER OF HOLDING THE SAME; CONSOLIDATING SAID REVENUE ELECTION WITH THE STATE OF CALIFORNIA GENERAL ELECTION AND PROVIDING FOR NOTICE THEREOF.

WHEREAS, The Board of Supervisors of the City and County of San Francisco has duly determined that the public interest and necessity demand the issuance of mortgage revenue bonds and has further duly determined that said bonds shall be issued under Division 31, Part 5, of the Health and Safety Code of the State of California; (Section 52000, et seq.), as it may be amended; now, therefore, be it

RESOLVED, By the Board of Supervisors of the City and County of San Francisco as follows:

Section 1. A special revenue bond election is hereby ordered and will be held in said City and County of San Francisco on Tuesday, June 3, 1980, at which election shall be submitted to the qualified electors of said city and county the measure of issuing revenue bonds under Division 31, Part 5, of the Health and Safety Code of the State of California (Section 52000, et seq.), as it may be amended.

MEASURE: (Mortgage Revenue Bonds). Shall the City and County of San Francisco issue revenue bonds in the principal amount of not to exceed One Hundred Million Dollars ($100,000,000) pursuant to Division 31, Part 5, of the Health and Safety Code of the State of California (Section 52000, et seq.), as it may be amended, to provide funds for mortgage financing of the purchase, construction or improvement of homes in the City and County of San Francisco?

Section 2. Said bonds shall be revenue bonds payable exclusively from the revenues and receipts derived from or with respect to the home mortgages or from or with respect to any notes or other obligations of lending institutions with respect to which the bonds are issued. Said bonds are not to be secured by the taxing power of the City and County of San Francisco. The principal of and interest on said revenue bonds, and any premiums upon the redemption of any thereof, are not, and shall not constitute, a debt of the City and County of San Francisco, nor a legal or equitable charge, lien or encumbrance upon any of its property or upon any of its income, receipts or revenues, except the revenues and receipts as described above. No taxes shall ever be levied or collected by the city and county for the payment of said revenue bonds, or the interest thereon; nor shall any property of the city and county be subject to forfeiture therefor; but the revenues and receipts derived from or with respect to the home mortgages or from or with respect to any notes or other obligations of lending institutions with respect to which the bonds are issued shall be applied to such payment.

Section 3. The special revenue bond election hereby called and ordered to be held shall be held and conducted and the votes thereat received and canvassed, and the returns thereof made and the results thereof ascertained, determined and declared as herein provided and in all particulars not herein recited said election shall be held according to the laws of the State of California providing for and governing elections in the City and County of San Francisco, and the polls for such election shall be and remain open during the time required by said laws.

Section 4. The said special revenue bond election hereby called shall be, and hereby is, consolidated with the State of California General Election to be held Tuesday, June 3, 1980, and the voting precincts, polling places and officers of election for said State of

California General Election be, and the same is, hereby adopted, established, designated and named as the voting precincts, polling places and officers of election for such special election hereby called, and as specifically set forth, in the official publication, by the Registrar of Voters of precincts, polling places and election officers for the said State of California General Election.

The ballots to be used at said special revenue bond election shall be the ballots to be used at said State of California General Election and reference is hereby made to the notice of election setting forth the voting precincts, polling places and officers of election by the Registrar of Voters for the State of California General Election to be published in a newspaper of general ciruclation published in San Francisco on or about May 15, 1980.

Section 5. If at such special revenue bond election it shall appear that a majority of all the voters voting on the measure set forth in Section 1 of this resolution voted in favor of and authorized the measure, then such measure shall have been approved by the electors.

The votes cast for and against the said measure shall be counted separately and when a majority of the qualified electors, voting on the measure, vote in favor thereof, such measure shall be deemed approved.

OPPOSING THE "FAIR RENTS" CONSTITUTIONAL AMENDMENT WHICH WILL BE ON THE JUNE BALLOT AND MEMORIALIZING THE VOTERS OF CALIFORNIA TO DEFEAT IT.

WHEREAS, a statewide constitutional amendment limiting the powers of local government to enact rent control has qualified for the June, 1980, ballot; and

WHEREAS, this initiative would automatically repeal San Francisco's Residential Rent Stabilization and Arbitration Ordinance, which was unanimously enacted by the Board of Supervisors to deal with San Francisco's rental housing crisis; and

2/3/80 al ~~WHEREAS, This initiative, because its limitations affect more than rent control, would seriously erode the traditional power of local government to assist the building of low and moderate income housing and to deal with their particular housing problems based on local experience; and~~

~~WHEREAS, the signatures qualifying this landlord sponsored rent control restriction initiative were gathered by misrepresenting that it was a tenant sponsored initiative providing for effective rent control; and~~

WHEREAS, this initiative would be inflationary by encouraging rent increases every year by the full increase in the national Consumer Price Index; and

WHEREAS, this initiative would take away from San Francisco the power to deal effectively with its rental housing crisis; therefore, be it

RESOLVED that the Board of Supervisors for the City and County of San Francisco strongly opposes this initiative and urges voters to defeat this initiative at the polls in June, 1980.

FILE NO. 12-80-9 RESOLUTION NO. 231-80

URGING THE STATE LEGISLATURE TO PLACE ON THE NOVEMBER, 1980 BALLOT A CALIFORNIA CONSTITUTIONAL AMENDMENT TO EFFECTUATE CONCEPT OF LOWER PROPERTY ASSESSMENT RATIOS FOR HOMEOWNERS.

WHEREAS, There has existed, and now exists, a substantial inequality in the taxation of residential real property as compared to taxation of commercial, industrial, and public utility real property; and

WHEREAS, This inequality occurs because the California Constitution requires a full value appraisal whenever a property changes ownership and thereby increases the assessment on that property above the two percent per year limit on property tax increases; and

WHEREAS, Residential real property changes ownership much more frequently than commercial, industrial, or public utility real property; and

WHEREAS, The property tax is glaringly regressive to homeowners, as homes produce no income to the owner in contrast to commercial and industrial properties which generate revenue for their owners; and

WHEREAS, A reduction in the burden of residential real property taxes can be accomplished through the concept of different assessment rolls in which the assessment ratio is lowered on homeowners' property and increased on income-producing properties; and

WHEREAS, Such a difference in property tax assessments could provide significant revenue increases to county and other local government entities in California; and

WHEREAS, Based on the 1978-79 assessment roll and tax rate in the City and County of San Francisco, the establishment of an 18 percent assessment ratio for owner-occupied single family residences; a 22 percent ratio for owner-occupied multi-family residences; and a 35 percent ratio for commercial, industrial, and other real property, would generate additional revenue of almost $16,000,000 for the City and County of San Francisco, and the tax burden on owner-occupied single family residences valued between $60,000 and $100,000 would be reduced by 30 to 32 percent; and

WHEREAS, A change in property assessment ratios necessitates an amendment to the Constitution of the State of California; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby support the concept of differing assessment rolls for property in San Francisco in an effort to equalize the burden of property taxation and in an effort to generate additional revenues for the City and County; and be it

FURTHER RESOLVED, That this Board of Supervisors does hereby memorialize the State Legislature to promulgate a California constitutional amendment that would effectuate the concept of differing assessment rolls with the formula specified above and take all action necessary to place such amendment on the November, 1980 ballot; and, be it

FURTHER RESOLVED, That this Board of Supervisors does hereby urge the County Supervisors Association of California to support such a constitutional amendment for placement on the November, 1980 ballot and to make such amendment a part of its legislative program; and, be it

FURTHER RESOLVED, That this resolution be submitted to the Mayor of the City and County of San Francisco in order that she may transmit it to San Francisco's representatives in the State Legislature with the request that they assist in carrying out its intent in a timely manner to place such an amendment on the ballot at the general election in November, 1980.

FILE NO. 12-80-10 RESOLUTION NO. 232-80

MEMORIALIZING THE CALIFORNIA STATE LEGISLATURE TO ENACT LEGISLATION TO REALLOCATE A PORTION OF THE TIDELAND OIL REVENUES TO FUND PUBLIC MASS TRANSIT SYSTEMS IN THE STATE.

WHEREAS, Existing State law requires the State Lands Commission, with certain exceptions, to deposit revenues, monies, and remittances collected from the extraction of oil and gas from the tidelands along the California shoreline in the State treasury, and to apply such monies to specified purposes; and

WHEREAS, The balance of the tideland oil revenues and by far the greatest portion of revenues is allocated to the Capital Outlay Fund for Public Higher Education (COFPHE) for construction of buildings on state college and university campuses; and

WHEREAS, In fiscal year 1978-79, the tideland oil revenues account accumulated $110,000,000, of which $38,000,000 was allocated to specified funds, such as the California Water Fund, the Central Valley Project Construction Fund, and the Sea Grant Matching Program; and

WHEREAS, The remainder of the $110,000,000, amounting to nearly $72,000,000 was allocated to the COFPHE for construction of more buildings on college campuses; and

WHEREAS, In fiscal year 1979-80, the tideland oil revenues increased to $195,000,000, of which $38,000,000 was allocated to the special funds mentioned above, and the remaining $157,000,000 was diverted for more construction of academic buildings on higher education campuses; and

WHEREAS, Due to the deregulation of crude oil prices and the sharply escalating prices of oil, the tideland oil revenues of this State are expected to reach $454,000,000 in 1980-81 and to double that figure by 1983; and

WHEREAS, Revenues allocated to COFPHE are growing much faster than the construction needs of higher education, and there is currently a $180,000,000 surplus in that fund; and

WHEREAS, Public mass transit systems throughout the state are in desperate need of additional financial assistance, due to increased ridership and heavy increases in operating costs, both of which have been generated by the steep rise in gasoline and other fuel costs; and

WHEREAS, There is a direct and discernible nexus between increased oil profits and mass public transportation systems, which does not exist between oil profits and construction of buildings on college campuses; and

al 2/3/80 ~~WHEREAS, The San Francisco Public Utilities Commission has proposed doubling fares on the Municipal Railway and increasing by 400 percent fares for senior citizens and disabled persons; and~~

~~WHEREAS, The need for higher fares by the Municipal Railway and public transit systems throughout the state could be alleviated substantially by the allocation of state tideland oil revenues; and~~

WHEREAS, These revenues would be used directly to meet the transportation needs of the people of California and would enable public transit systems to continue to provide necessary service; and

WHEREAS, Public transit systems are vitally important to the welfare of the entire state in our effort to reduce air pollution from automobiles and to free the state's economy from dependence on foreign oil; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby memorialize the Legislature of the State of California to enact legislation to reallocate the state tideland oil revenues to provide that a minimum of ~~$200,000,000~~ $300,000,000 be used for operating and other expenses of public transit systems in California, as determined by

the governing bodies of said public transit systems and that the state tideland oil revenues be distributed on the basis of boarding passengers; and, be it

FURTHER RESOLVED, That this resolution be transmitted to her Honor, the Mayor, for immediate transmittal to the San Francisco representatives in the State Legislature with the request that they take all appropriate action to carry out its intent at the earliest possible date; and, be it

FURTHER RESOLVED, That this resolution be transmitted to the Executive Committee, the Board of Directors, and the Assembly of the County Supervisors Association of California with the request that they take all appropriate action to carry out its intent at the earliest possible date.

WHEREAS, The citizens of San Francisco and its Board of Supervisors have not by ordinance or by Charter amendment delegated the responsibility for any schedule of fares or rates to the Metropolitan Transportation Commission (hereafter "M.T.C."); and

WHEREAS, It is the expressed intention of the Board of Supervisors of the City and County of San Francisco to retain local autonomy and control of the San Francisco Municipal Railway; and

WHEREAS, The attempts of the M.T.C. to dictate fare schedules for the City and County of San Francisco, its citizens and its Board of Supervisors is clearly an attempt to supersede, and infringe upon, these rights; and

WHEREAS, The M.T.C. is not now nor has it ever been an elected body to which the citizens of this city could petition for the redress of grievances however onerous and burdensome they may be; and

WHEREAS, This is in stark contrast to the relationship held between the citizens of this city and its Board of Supervisors; and

WHEREAS, The Honorable Quentin L. Kopp as the representative of this Board of Supervisors on the M.T.C. did at the M.T.C. meeting of February 27, 1980 express opposition to that certain resolution of M.T.C. directing "uniform" fares for the San Francisco

Municipal Railway, San Francisco Bay Area Rapid Transit District, and Alameda-Contra Costa Transit District and announcing that M.T.C.. would "postulate" fares for all those transit systems in the event such transit systems failed to establish "uniform" schedules of fares; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco is both concerned and dismayed at recent actions of M.T.C. which appear to assert that the M.T.C. has the right and authority to promulgate and establish fare schedules for the San Francisco Municipal Railway; and be it further

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby affirms and declares that it possesses, by power granted by the voters of the City and County of San Francisco the sole authority to adopt a schedule of fares for the San Francisco Municipal Railway; and be it further

RESOLVED, That this resolution be transmitted to her Honor, the Mayor, for immediate transmittal to M.T.C. as reaffirmation of the law and policy of the City and County of San Francisco.

WHEREAS, The Public Utilities Commission of the City and County of San Francisco on March 13, 1980, adopted Resolution No. 80-0108 proposing a number of schedules revising rates, fares, and charges of the Municipal Railway; and

WHEREAS, In accordance with Section 2.25 of the Administrative Code, said Public Utilities Commission has submitted to this Board, in support of said schedules, all of its data upon which said schedules are based and a report of the anticipated effect of said schedules upon the budget of the Municipal Railway for the current 1979-80 fiscal year and the ensuing 1980-81 fiscal year; now, therefore, be it

APPROVING REVISED SCHEDULE OF RATES,
FARES AND CHARGES TO BE CHARGED
BY THE SAN FRANCISCO MUNICIPAL RAILWAY

WHEREAS, The Public Utilities Commission of the City and County of San Francisco adopted its Resolution No. 80-0108 on March 13, 1980, approving a series of revised schedules of rates, fares and charges for Municipal Railway service, which resolution reads as follows:

"WHEREAS, It is the policy of the Public Utilities Commission to maintain transit service at the current level in the City and County of San Francisco, and to increase service when possible; and

"WHEREAS, In order to maintain current levels of service it is anticipated that the operational expenses of the Municipal Railway in fiscal year 1980-81 will be $126,000,000; and

"WHEREAS, Anticipated operating revenues from currently available funding sources for fiscal year 1980-81 are estimated to be $78,000,000; and

"WHEREAS, The difference between the estimated operating expenses and operating revenues for fiscal year 1980-81 therefore portends an unfunded deficit of approximately $48,000,000; and

"WHEREAS, Anticipated operating revenues from the farebox for fiscal year 1979-80 are anticipated to be approximately $29,000,000 with the current fare schedule; and

"WHEREAS, $17,000,000 in AB1107 funds are potentially available in fiscal year 1980-81 from MTC that could partially offset this anticipated deficit; and

"WHEREAS, To qualify for these AB1107 funds in fiscal year 1980-81 operating revenues generated from the farebox must be

increased to at least $41,500,000 which will require a revision to the fare schedule; and

"WHEREAS, Failure to obtain this funding will result in the need to reduce the level of service offered by the Municipal Railway; and

"WHEREAS, This Commission has conducted a public hearing at which testimony was received concerning proposed increases in fares; and

"WHEREAS, As a result of this testimony, this Commission desires that any increase in fares be structured to minimize the impact on current ridership; and

"WHEREAS, Also as a result of this testimony, the Commission desires that increases in fares for seniors, students and handicapped be minimized; and

"WHEREAS, Also as a result of this testimony, this Commission desires to make Fast Passes as attractive and available as possible for the benefit of residents and efficient operation of the system; and

"WHEREAS, This Commission has considered a number of schedules increasing rates, fares and charges in differing combinations, with the object of submitting a number of such schedules to the Board of Supervisors for approval of one and only one of such schedules; now therefore, be it

"RESOLVED, That pursuant to a notice of intention to revise the existing schedule of rates, fares and charges of the Municipal Railway heretofore published as required by Section 3.598 of the Charter of the City and County of San Francisco, and after a public hearing held pursuant to the aforesaid notice, the following several schedules of revisions to the existing schedule of rates, fares and charges to be charged by the Municipal Railway be and the same are hereby adopted:

URGING THE DIRECTOR, BUREAU OF THE CENSUS TO PROVIDE 1980 DECENNIAL CENSUS DATA FOR SAN FRANCISCO ON A BLOCK-LEVEL BASIS IN COMPUTER MEDIA FORM TO ASSIST IN THE REQUIRED ADJUSTMENT OF SUPERVISORIAL DISTRICT BOUNDARIES.

WHEREAS, Under the provisions of Section 2.100, San Francisco City and County Charter and Division 19, California Elections Code, this Board of Supervisors, following the 1980 decennial federal census, is to adjust the boundaries of San Francisco's supervisorial districts so that the districts shall be as nearly equal in population as may be; and

WHEREAS, The adjustment of district boundaries necessarily will be based upon 1980 census data provided by the Bureau of the Census, U.S. Department of Commerce, in computer-media form; and

WHEREAS, Information has been received that the Bureau of the Census is revising its original plan to release 1980 population counts on a block-level basis, and now plans to provide the data on other than the block-level basis; and

WHEREAS, It appears that excessive amounts of time and staff work would be involved in converting census data by manual means so as to provide usable, block-level data for the district reapportionment effort; and

WHEREAS, In order to prepare a number of possible options for review by members of the Board of Supervisors and the public, it is highly desirable to be able to use block-level counts in computer-media form, so as to reduce the time and staff requirements which would be required if data were to be assembled and utilized by manual means; now, therefore, be it

RESOLVED, That the Board of Supervisors does hereby call upon and urge the Director of the Bureau of the Census of the U.S. Department of Commerce to provide early census count information for the City and County of San Francisco, on a block-level basis in computer media form, prior to general release of the census data for this City, in order to assist the Board in its adjustment of supervisorial district boundaries; and, be it

REAFFIRMING OPPOSITION TO ASSEMBLY BILL 787, AS AMENDED.

WHEREAS, The Board of Supervisors of the City and County of San Francisco unanimously adopted Resolution 437-79 on May 29, 1979, setting forth the opposition of the City and County of San Francisco to Assembly Bill 787; and

WHEREAS, AB 787 has been amended by both the California State Assembly and the California Senate and will be acted upon by the Legislature in 1980; and

WHEREAS, AB 787, as amended, remains detrimental to the interests of the citizens of the City and County of San Francisco; and

WHEREAS, AB 787 was originally introduced to force the National Football League to locate a replacement franchise in the Los Angeles Coliseum to compensate for the relocation to Anaheim of the Los Angeles Rams professional football team; and

WHEREAS, AB 787, as amended by virtue of the powers it would grant to a newly-created State Athletic Commission would serve to supress the expansion of professional sports in California, thus making it a near certainty that San Francisco could never be considered as a site for professional basketball, professional ice hockey, professional soccer, or almost any other professional sport; and

WHEREAS, The citizens of the City and County of San Francisco would benefit greatly by the location of additional professional sports teams in our City, particularly if such professional franchises were to pay rent for and utilize existing City and County facilities; and

WHEREAS, The City and County of San Francisco wishes to continue to negotiate permits for use of its public facilities without interference from a higher government authority; now, therefore, be it

MEMORIALIZING SAN FRANCISCO DELEGATION IN STATE LEGISLATURE TO AMEND AB 1107/842 TO ELIMINATE THIRTY-THREE PERCENT FAREBOX REQUIREMENT BEFORE TRANSIT OPERATORS IN BAY AREA COUNTIES ARE ELIGIBLE TO RECEIVE SALES TAX FUNDS.

WHEREAS, The people in three Bay Area Counties, San Francisco, Contra Costa, and Alameda, have been assessed an extra one-half percent sales tax since 1969, proceeds of which are allocated to the Bay Area Rapid Transit District (BARTD); and

WHEREAS, Assembly Bill 1107, authored by Assembly Speaker Leo P. McCarthy in 1977 (Chapter 1204, Statutes of 1977), made the temporary one-half percent sales tax permanent in these three counties; and

WHEREAS, AB 1107 provided that seventy-five (75) percent of the revenues from the extra half-percent sales tax be allocated to BARTD, and the remaining twenty-five (25) percent be made available to the Metropolitan Transportation Commission (MTC) for distribution to public transit operators in the three counties -- BARTD, AC Transit, and the San Francisco Municipal Railway; and

WHEREAS, AB 1107 further stipulated that in order to receive any portion of these sales tax revenues distributed through MTC, each transit district must produce thirty-three (33) percent of its operating costs from its farebox revenues; and

WHEREAS, The total annual deposits of the 25 percent portion of the BARTD sales tax have grown from $3,700,000 in six months of 1977-78 to $15,700,000 in 1978-79 to an estimated $18,900,000 in 1979-80; and

WHEREAS, To date, total allocations of these funds by the MTC have been $4,000,000 to AC Transit and $6,000,000 to BARTD in 1978-79, leaving a fund balance as of February, 1980 of $23,100,000; and

tax revenues were collected in the City and County of San Francisco; and

WHEREAS, To date, the San Francisco Municipal Railway has not received any allocation of these sales tax revenues distributed by the MTC, although the Municipal Railway farebox revenues now total nearly twenty-nine (29) percent of its operating costs; and

WHEREAS, the number of passengers on the Municipal Railway has increased 10 percent in the past year, and the system is operating near peak capacity under severe fiscal constraints; and

WHEREAS, It is grossly unfair to withhold AB 1107 funds from the Municipal Railway and to deprive San Francisco citizens of the benefits of sales tax revenues which they have contributed to the AB 1107 fund for their public transportation needs; and

WHEREAS, AB 1107 was amended by Assembly Bill 842, also authored by Assembly Speaker Leo McCarthy, which was passed by the Legislature and signed into law by the Governor in July, 1979 (Chapter 264, Statutes of 1979); now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby memorialize Speaker of the Assembly Leo McCarthy and the rest of the San Francisco delegation in the State Legislature to introduce legislation expeditiously to revise AB 1107/842 by eliminating the inequitable requirement that public transit operators in the three Bay Area counties must produce 33 percent of their operating costs from farebox revenues before they can receive any allocation of sales tax funds; and, be it

FURTHER RESOLVED, That the San Francisco Board of Supervisors does further urge the San Francisco delegation in the State Legislature to introduce and support legislation to amend AB 1107/842 to permit the Bay Area public transit operators to receive a portion of state sales tax funds based either on the number of boarding passengers on each transit system or

ESTABLISHING POLICY OF THE BOARD OF SUPERVISORS IN SUPPORT OF THE " TALKING BOOKS LIBRARY PROGRAM " AND RECOGNIZING THE RIGHT OF BLIND AND PRINT READING DISABLED CITIZENS TO EQUAL LIBRARY SERVICES.

WHEREAS, In 1971 the Public Library System of the City and County of San Francisco with the cooperation and the support of the Library of Congress, the California State Library System and the United States Postal Service initiated the " Talking Book Program" for the blind and print reading disabled residents of San Francisco; and

WHEREAS, The few talking books initially available for the use of these residents was housed in a portion of the Main Library that was totally inaccessible to these patrons; and

WHEREAS, In 1977, as the result of a grant secured through the Library Services and Construction Act; and budget augmentation by the City and County of San Francisco, the program was transferred to the Presidio Branch Library with a full time librarian in charge; and

WHEREAS, This was the first step in providing local library services to this segment of the City's population; and thereby approaching parity with the services being provided to the sighted and able-bodied; and

WHEREAS, San Francisco's " Talking Books Library Program" has become nationally recognized as an historic milestone in the field of library sciences; and

WHEREAS, The demand for library services for the blind and the print reading disabled has grown from a patronage of 50 persons in the year of 1971 to over 1,000 persons currently; and the collection of talking books has increased from a low of 400 in 1971 to more than 40,000 presently; and

WHEREAS, As a result of this expansion of patronage and reading materials, the facility at the Presidio Branch Library has become intolerably overcrowded; leading to the steady deterioration of services and the curtailment of patron utilization of the facility; and

WHEREAS, Due to threatened fiscal constraints faced by the City and County of San Francisco it may become necessary to close certain branches of the San Francisco Public Library System thereby leaving valuable property idle, non- productive and exposed to vandalization; now, therefore, be it

RESOLVED, That it is the policy of the Board of Supervisors of the City and County of San Francisco that it supports the " Talking Books Library Program " and recognizes the right of the blind and the print reading disabled citizens of San Francisco to library services equal to those services currently made available to other San Francisco residents; and, be it

FURTHER RESOLVED, That in the event that budgetary constraints compel the closure of library branches this Board memorializes the Library Commission of the City and County of San Francisco to give full and proper consideration to transferring the " Talking Books Library Program " from its present location at the Presidio Branch Library to a more suitable and accessible site; and, be it

WHEREAS, Neighborhood residents and merchants have expressed concerns that the recent and rapid changes and intensification of commercial activity on that portion of Union Street between Steiner Street and Van Ness Avenue and on that portion of Fillmore Street between Union and Lombard Streets have caused unwelcome changes in the character of that C-2 (Community Commercial) zoning district and the adjacent residential district;

WHEREAS, In response to this concern, the Board of Supervisors enacted an ordinance temporarily prohibiting the approval of permits for the establishment of amusements, places of entertainment, dance halls, cabarets, and restaurants in the above area for one year, thereafter extended for another five months, to expire on June 23, 1979, and directed staff of the Department of City Planning to carry out a thorough study of the problems on Union Street and to consider the establishment of a Special Use District there; and

WHEREAS, The City Planning Commission adopted Resolution No. 8242 on April 26, 1979, initiating interim Special Use District controls for the Union Street Commercial Area,

WHEREAS, The period required for the City Planning Commission to report to the Board of Supervisors has or will shortly expire; and

WHEREAS, City Planning Code Section 302(e) authorizes the Board of Supervisors to extend such periods for additional six month periods; now therefore be it

RESOLVED, That the Board of Supervisors does hereby grant to the City Planning Commission an additional two months during which it shall report to the Board of Supervisors on the proposed zoning amendments set forth above.

The Honorable
Board of Supervisors
235 City Hall
San Francisco, CA 94102

Dear Ladies and Gentlemen:

I am returning File No. 114-80 without my signature and would like to indicate my serious concern over the location of a Farmers Market in United Nations Plaza.

The concept of providing a convenient location for the purchase of low cost produce in the northern section of our city, primarily to serve the large senior population in the Tenderloin, is a commendable one. However, in my opinion, the present plan that you have tentatively approved presents many problems. The use of a city square for long term commercial purposes is unprecedented and it is my understanding that volunteer monitors will be used. Can we be assured that this monitoring will be on-going and ensure that the booths are erected safely and removed at the specified time; that goods, other than produce, are not sold? Public Health inspectors will have to monitor the quality of food sold. Will the City be adequately reimbursed for these services? Will the program adversely affect nearby merchants and result in the very negative feelings we have between some of our merchants and the street artists?

We cannot allow large amounts of debris to wind up in the United Nations Foundation, thus causing malfunction and extensive maintenance.

The Commission on Aging is presently running a mini-market program in the Tenderloin where seniors can buy quality food at low cost. Six different in-door Tenderloin locations are used on a rotational basis, each week, and require little travel on the part of the seniors. Your Board may want to consider the possibility of expanding this program.

I realize the Board's desire to see United Nations Plaza used for activities other than alcohol consumption and sleeping and would be happy to work with you and the Market Street Development Corporation to see that this happens. In any case, I trust that you will more closely review the final contract for this Farmers' Market when it is before you for approval.

Sincerely,

Dianne Feinstein
Mayor

WHEREAS, Dennis Breen's initial entry into the public domain of our City was made on June 26, 1943, when his name was reached for appointment although he was serving in the United States Navy at the time, and that thereafter his services in the Department of Finance and Records, the Registrar of Voters' Department, and the County Clerk's Office were such as to commend him unreservedly to all who have been fortunate enough to know him and be associated with him; and

WHEREAS, Dennis Breen has been a profoundly conscientious and capable aide to the judiciary, the legal profession, legislative and administrative officials, and his co-workers, and, as a contemporary of innumerable notables in the history of San Francisco, has had the opportunity of counseling them wisely in those administrative fields with which he has been closely identified in his important post of Division Chief on the County Clerk's staff; and

WHEREAS, Any reduction in such payments would constitute a serious and unfair fiscal hardship to the many hard-pressed California counties that provide essential services to tax-exempt federal lands; now, therefore, be it

RESOLVED, The San Francisco Board of Supervisors does hereby memorialize the Congress of the United States to resist all proposed reductions in the level of payments-in-lieu of taxes to local jurisdictions; and, be it
